

# POLONIA RESERVE UPGRADE

## Community Consultation Findings

### WHAT DID WE ENGAGE ON?

Birdseye Studios worked with the City of Port Adelaide Enfield to develop a consultation strategy to inform the design of the Polonia Reserve Upgrade. The consultation was undertaken from 11th August - 23rd October 2021.

### WHAT DID WE DO?

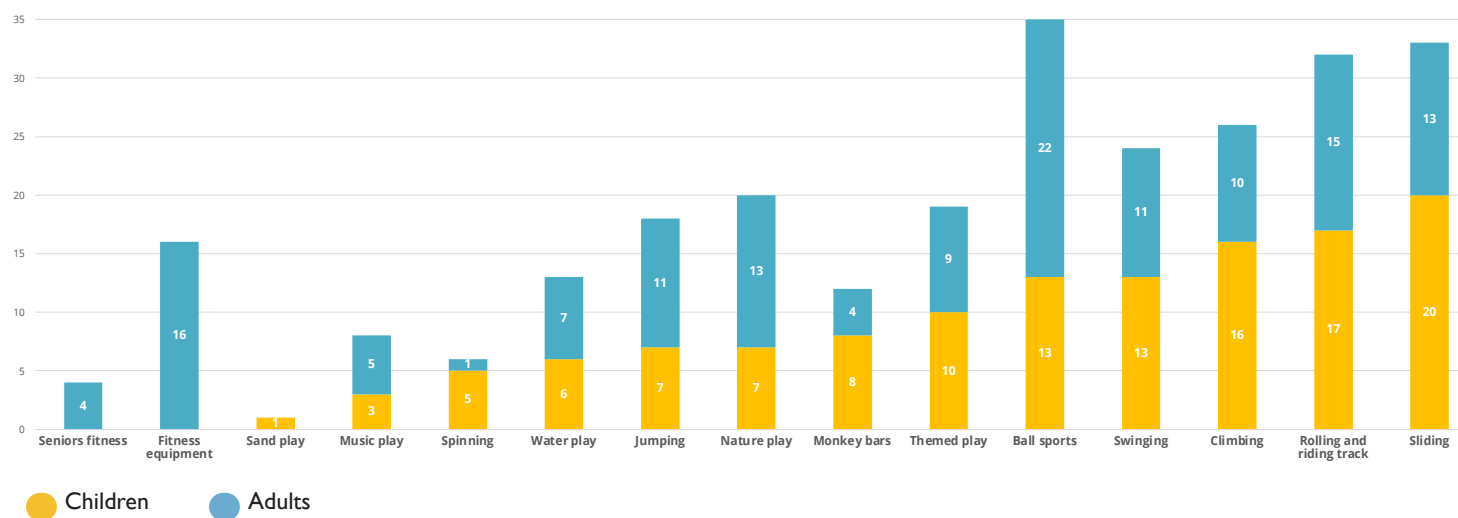

- Have Your Say PAE page with simple opportunities plan and graphic survey (89 responses).
- Two on-site community days with staff members from CoPAE and Birdseye Studios present.
- Leaflet drop with link to online survey.

### Opportunities Plan & Graphic Survey

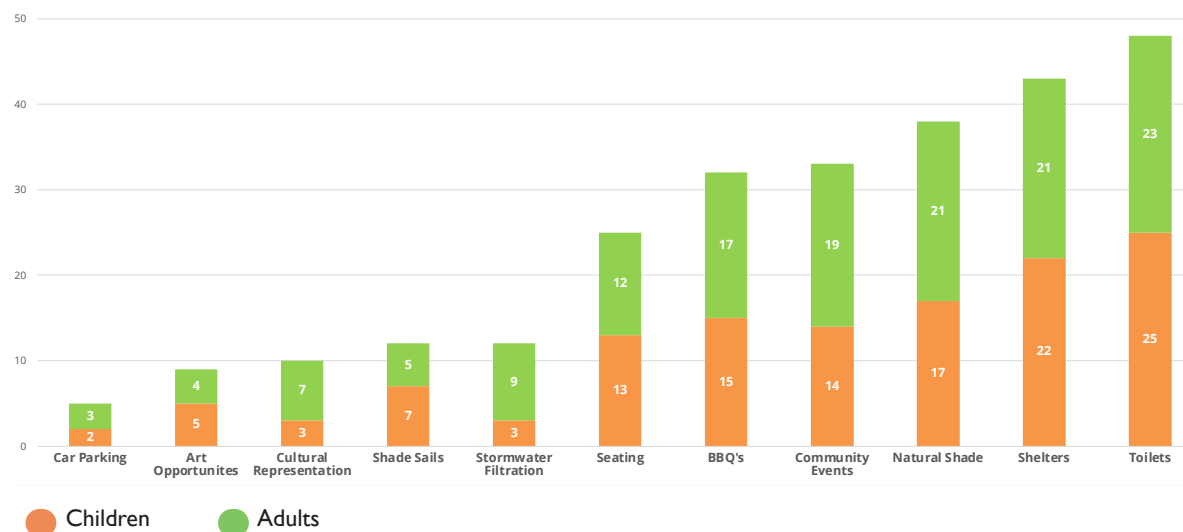

## WHAT DID WE HEAR?

### Survey Results

Respondents were asked to select their top three preferred play experiences from the photographs provided on the graphic survey. The above graph represents these results. Overall, the top three preferred play experiences were ball sports, sliding and a rolling and riding track.

Respondents were asked to select their top three preferred reserve facilities from the photographs provided on the graphic survey. The above graph represents these results. Overall, the top three preferred reserve facilities were toilets, shelter and natural shade.
