

Draft Park Plan

Spatial Plan

1. Redeveloped urban gateways with reserve signage, sense of arrival gardens and way finding signs. Fences and gates removed.
2. Existing public toilet. **Opportunity for public art mural.**
3. Existing car park. **Opportunity for refurbishing as plaza extension with permeable pavement and services connection to allow for community events (Food trucks, Markets, Fairs, Demonstrations, Health and Wellbeing Events).**
4. Existing Asbestos Victims Memorial. **Opportunity for enhanced gardens, DDA compliant seating and shading.**
5. New multi-sports court.
6. New structured playspace area with shade sails, seating and congregation areas. **Opportunity for site inspired equipment.**
7. New nature play area.
8. Main gathering nodes with shelters, picnic settings, long tables, seats, benches, accessible BBQs, bins and drinking fountain.
9. Dog Park fence re-alignment with minor upgrades (Shelters, seating, agility equipment, quiet corners and socializing areas)
10. Potential recreation opportunity for active based sports (Pump track, skate/scooter circuit, trike trail, ninja/obstacle course or multi-use courts).
11. New fitness nodes including fitness trail markers, use instructions and all abilities - all ages equipment.
12. New lighting to main reserve footpath.
13. New train lookout area seating nodes.

- Existing Main Pedestrian Movement (Bitumen path)
- New Secondary Pedestrian Movement (Bitumen path)
- New lighting to footpath
