Equipment descriptions on following page

City of Port Adelaide Enfield | Koombana Reserve, Design 1 TMC 2307-20B

Inclusion of equipment that offers challenge as users develop in ability and strength

Natural yet playful colours chosen to suit the natural surroundings and ensure cohesion across the site as a whole

Multiple points of entry and exit across the unit ensure there is no centralised traffic zone on the unit

Sandstone blocks provide informal seating opportunities and are positioned with clear sightlines of the equipment for ease of supervision

Double bay nest swing with nest seat, strap seat and infant seat located separately with the nest seat on the outside edge to minimise disturbance to traffic flow

Interactive play panels underdeck encourages social/role play
